## Oakton Elementary PTA Cashier /Cash Box Report

Event:

## Staffed By:

Use this form when you are colleting cash/checks at a PTA event. The starting and ending total amounts are required, as well as any additions/subtractions to the cash box.

Other columns and lines are optional. For instance, it is often helpful to know the breakdown of the starting cash and notations about if it were appropriate to help plan the next time. (Did you wish you had more ones or quarters?)

Similarly the ending quantity and amount breakdown may not be needed. However, in accounting for large amounts, often it's easiest to count and verify each denomination separately.
